

SPECTATOR VIEWING AT TM TRI-STATE

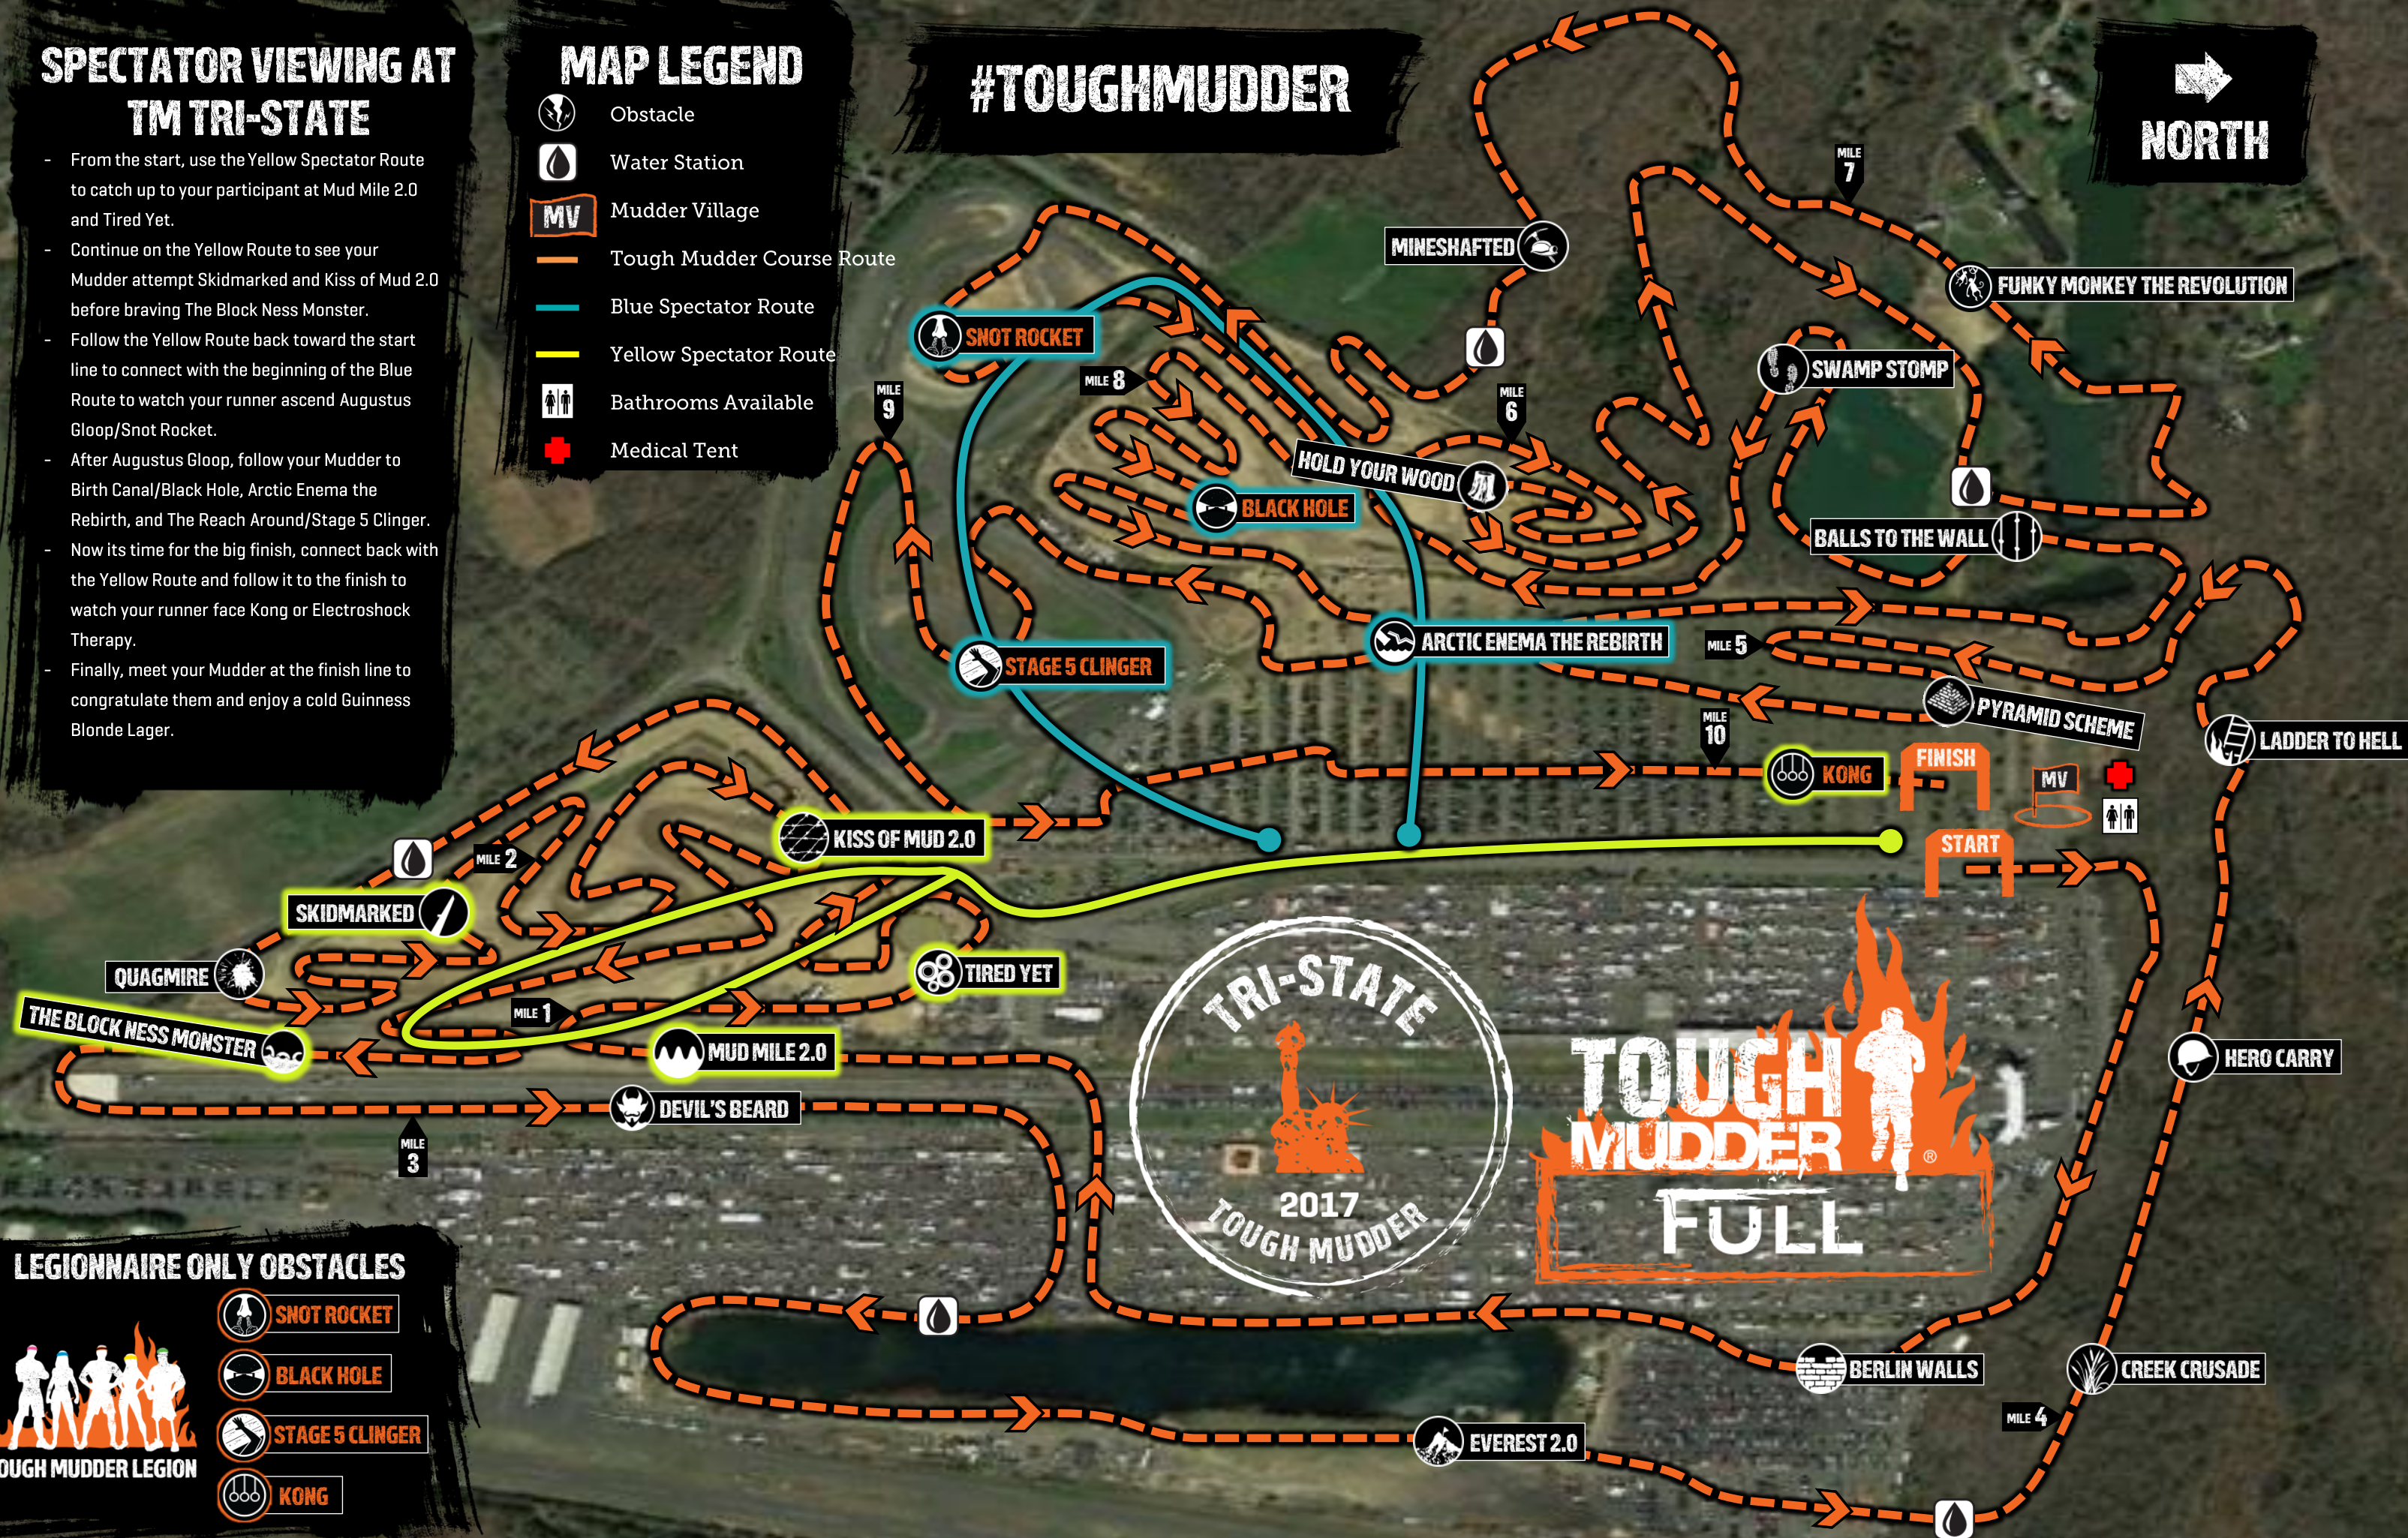

- From the start, use the Yellow Spectator Route to catch up to your participant at Mud Mile 2.0 and Tired Yet.
- Continue on the Yellow Route to see your Mudder attempt Skidmarked and Kiss of Mud 2.0 before braving The Block Ness Monster.
- Follow the Yellow Route back toward the start line to connect with the beginning of the Blue Route to watch your runner ascend Augustus Gloop/Snot Rocket.
- After Augustus Gloop, follow your Mudder to Birth Canal/Black Hole, Arctic Enema the Rebirth, and The Reach Around/Stage 5 Clinger.
- Now its time for the big finish, connect back with the Yellow Route and follow it to the finish to watch your runner face Kong or Electroshock Therapy.
- Finally, meet your Mudder at the finish line to congratulate them and enjoy a cold Guinness Blonde Lager.
