

UK FAQs: 2018 Repeat Offender Program

1. What / who is a Repeat Offender?

The Repeat Offender program recognises those who complete either 2 or 3 Challenge series events within a calendar year (Tough Mudder 5K, Tough Mudder Half and/or Tough Mudder Full).

The program starts on 1 January 2018, and events completed in 2017 (or prior) will be not counted towards Repeat Offender status.

2. How you can achieve Repeat Offender Status?

- **2 x Repeat Offender** - complete any 2 of the following events in 2018: Tough Mudder Full, Tough Mudder Half or Tough Mudder 5k.
- **3x Repeat Offender** - complete all of the following event formats in 2018: Tough Mudder Full, Tough Mudder Half, Tough Mudder 5k

3. How does this tie into Mudder Legion?

The Repeat offender program sits alongside the Legionnaire program and does not replace it. Just because you are a Repeat Offender, does not mean you are a Legionnaire, and just because you are a Legionnaire, does not mean you are a Repeat Offender.

Legionnaire status continues to recognise participants who have completed at least one Tough Mudder Full event, while a Repeat Offender has completed a combination of at least two of these events within one event season: Tough Mudder Full, Tough Mudder Half, and/or Tough Mudder 5k.

4. Can you run Tough Mudder Half & Tough Mudder Full in one day when working towards Repeat Offender status?

Unfortunately you cannot participate in both events in the same day to achieve Repeat Offender status. You can however achieve 2x Repeat Offender status in one event weekend if, for example, you run the Tough Mudder Half on the Saturday, and Tough Mudder Full on the Sunday.

5. How many times can I achieve Repeat Offender status?

You can receive both a 2x Repeat Offender status and 3x Repeat offender status within a calendar year. You will be rewarded for each.

Repeat Offender rewards can only be claimed once per season (Calendar year). Once you have achieved 3x Repeat offender status, if you complete more events in the season, you will not receive additional rewards and will need to wait until next year to claim your 2019 Repeat Offender reward.

6. Does completing a Tough Mudder Full event towards the Repeat Offender program, still allow me to get a new Tough Mudder Legionnaire headband?

Yes. These programs sit alongside each other.

7. Where do I get my Repeat Offender rewards?

When you achieve Repeat Offender status, you will receive a headband (for 2X and 3X) and kettlebell collectable (3X).

You can collect your swag at Mudder Village at the event where you achieve Repeat Offender status. Unfortunately, it is not possible for Repeat Offender rewards to be mailed to you, and you must collect this reward at a Tough Mudder event.

If for any reason you are not able to claim your swag at the event you earned it, you may claim it at another 2018 Tough Mudder event. You will not be able to pick up 2018 rewards at a 2019 event.

8. How do I care for my baby kettlebell?

As with all newborn gym equipment your baby kettlebell will require a great deal of love and attention. Regular feeds and nappy changes, as well as teething problems come as standard but a stable routine and lots of cuddles will ensure it grows up to be a kettlebell you can be proud of.

9. Is the North American Repeat Offenders program different?

Yes, there are some localised differences between the programs. Visit the [UK Repeat Offender](#) page for details on the UK program.
